

# 2 PHOTO FABRICATION

Photo Mask 2D

With our slogan "Experts in the Nano World" , we have been dedicated to photo-fabrication for over 50 years.

With the introduction of a new Laser Direct Write Pattern Generator, we can provide more precise and higher quality patterns.

## Advanced Equipment

With the Laser Direct Write Pattern Generators that we have introduced, we can produce the types of patterns that our customers require with high levels of precision.

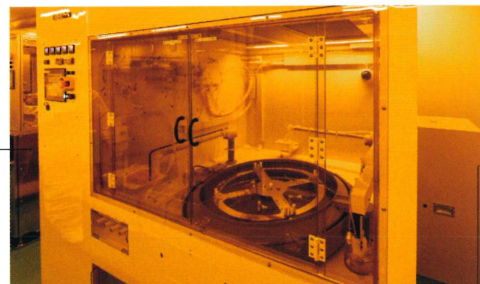

Write Pattern Generator

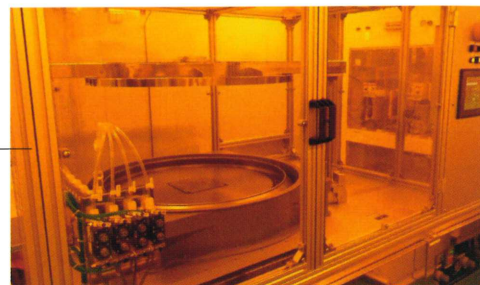

## Our original technology

Besides the manufacture and sales of Photomasks, we can use our the high-precision photomasks made with the Laser Direct Write Pattern Generator, along with our superior photo-fabrication skills and expert machining techniques for large-scale production.
